II. Goals and Objectives

University Goals

- **Strengthen the Quality of Academic Programs**
 - Eliminate, merge, or recommend continuation with conditions $\geq 25\%$ of low productivity, low demand degree programs

University Goals Continued

- **Improve the Academic Indicators of the Student Body**
 - Distribute scholarship reserves through early notification process to attract/retain better academically prepared students
 - Increase the number of articulation agreements with community colleges by 30%

University Goals Continued

- **Achieve (and maintain) Financial Stability**
 - Increase tuition revenue stream through enrollment growth
 - Move fee supported enterprises to self-sustaining status
 - Limit faculty/staff growth and review vacant positions
- **Increase Applied and Basic Research**
 - Align University research goals with federal, state, and industry needs

University Goals Continued

- **Increase the Efficiency of University Operations**
 - Automate University payments and employment processes
- **Promote Programs that Contribute to Student Success**
 - Implement service learning requirement for all students
 - Obtain funding for at least one additional pre-college program in each college/school

University Goals Continued

- **Strengthen University Advancement Programs Including Fund-raising**
 - Identify funding for OCR match for endowed chairs
 - Launch the Alumni/Special Gifts Phase of the Capital Campaign to raise \$4M
- **Increase and Enhance the Visibility and Awareness of the University to the Community-at-Large/All Stakeholders**

IV. Barriers/Challenges to Achievement of Goals and Objectives

Barriers/Challenges

- Texas Commitment (OCR) Funding
- Deferred Maintenance and Maintenance of New Buildings
- USDA Grant Match Requirements
- Closing the Gap
- Professionalism/Accountability

Texas Commitment (OCR)

Assume OCR funding is eliminated and nothing else changes. What is the financial impact in estimated FY07 dollars?

Revenue Lost	\$13.803M
Less OCR Transfers for UMA and Endowments	2.840M
Less Unallocated FY07 Budget	<u>658K</u>
Net Loss in Funding	\$10.305M

Budget Untouchables

- Tenured Faculty Salaries & Benefits
- Utilities
- Scholarships & Grants
- Operations & Maintenance
- Debt Service

Where would the cuts come from?

Non-tenured Faculty/Staff	\$72.648M
Operations and Maintenance	<u>\$19.517M</u>
Total	\$92.165M
Funds to be Cut	<u>\$10.305M</u>
	11.2%

How are we going to solve this problem?

- Diversify our revenue structure
- Hold the line on costs
- Eliminate redundancy in our processes
- Eliminate excess capacity in our classes
- Remove unproductive programs
- **GROW OUR ENROLLMENT**

Deferred Maintenance

- OCR Funds & Lone Star Priority Project provided some funds for deferred maintenance BUT \$21M remains
- Coming--maintenance costs for new buildings

¹Federal required match for 2004, 70%; 2005, 80%; 2006, 90%; 2007, 100%.

²Estimated based on FY06 funding using 2% escalation rate for each year.

³Information received from USDA on 02/21/2006 providing actual funding level for FY06 Cooperative Extension Program.

⁴Estimated

Closing the Gap

- Recruitment to Grow Student Body and Increase Resources
 - Fall 2005 – 7,912
 - Fall 2010 – 9,307
- Challenges:
 - Must diversify student body
 - Cost of higher education for our “underserved” students
 - Funding for faculty growth
 - Lack of community infrastructure (housing/services)

Professionalism and Accountability

- Blocking and Tackling
- “Being on Time is a courtesy shared among Kings”
- False Sense of Entitlement
