LEGEND:

- 1 = Strongly Disagree
- 2 = Disagree
- 3 = Neutral
- 4 = Agree
- 5 = Strongly Agree

Since all of the items are worded as positive statements, a higher number reflects a more positive response from the student.
Example:

My degree has prepared me to enter jobs in my field.

A response of "5" would mean that the student "strongly agrees" with the statement, which reflects positively on the major, department, and college

Conversely, a response of "1" would indicate that the student "strongly disagrees" with the statement.

Q1 - Q13 = Items 1 through 13 on the Academic Program Experience Survey form

U. AVG. = University Average

C. AVG. = College Average

D. AVG. = Department Average

M. AVG. = Major Average

CODE = Major Code
