[Letter from the director, Mr. Christopher N. Wesley](#)

CAB organizes, through various committees, many activities planned for the university community. Student volunteers plan, develop, and implement programs that provide opportunities for growth through educational, cultural, social, and recreational experiences.

Here you will find information on our constitution, our programs and special events, and the rules and regulations that govern our organization.

Membership is open to all qualified students, and the opportunity to grow is limitless. Please feel free to browse the site and contact us if you have any questions.
