Closing RemarksDr. Munir Quddus

Reception will be immediately following the program.

Corporate Partner of the Year

Accenture is a global management consulting, technology services and outsourcing company. Combining unparalleled experience, comprehensive capabilities across all industries and business functions, and extensive research on the world's most successful companies, Accenture collaborates with clients to help them become high-performance businesses and governments. With more than 181,000 people serving clients in over 120 countries, the company generated net revenues of US\$23.39 billion for the fiscal year ended Aug. 31, 2008. Its home page is www.accenture.com.

Nearly 400 students participated in the inaugural Accenture Student Leadership and Development Conference held on the campus of Prairie View A&M University on April 16, 2009. The half-day conference, conceived and coordinated by mostly PVAMU alumni who work at Accenture, was designed to help participants develop the necessary tools and knowledge to become the next generation of leaders as well as enhance their career development.

The Accenture Student Leadership and Development Conference started out as the brain child of several PVAMU alumni and was championed by then Accenture Partner Terrence Gee. Mr. Gee is also a member of the College of Business Dean's Advisory Board. Accenture has nearly 50 Prairie View A&M alumni employees, all of whom support the Accenture Prairie View A&M Campus Team and have made a commitment to support this conference and create an endowment as a way to give back to their alma mater.

Small Business Development Center

Partner of the Year

Children's Choice Child Care

Located in Hempstead, Children's Choice Child Care's mission is to provide the community a safe, happy, and nurturing environment for its children. This facility offers care for infants through 12 years of age including both Pre-K and After School Programs; transportation to and from HISD and CCA is available. At Children's Choice, children receive breakfast, hot lunch and snacks in an environment that makes time for learning and lots of fun.

Debbie and Keith Barber have been the owners of Children's Choice Child Care since August 2008. The organization has 14 experienced employees most of whom have been with the center for five or more years. In April 2008, the Barber's requested the assistance of PVAMU Small Business Development Center to acquire capital to purchase Children's Choice Daycare in Hempstead. The SBDC assisted in preparing the loan package which was submitted to a local bank and approved. This influx of capital helped the Barbers retain existing employees and continue to provide daycare services to the community.

College of Business Endowments

2008-2009

The College of Business is pleased to announce the creation of two new endowments. Endowments are gifts that are held in perpetuity and invested in a manner that protects the principal from inflation. The investment income provides a stable funding source for such purposes as scholarships, professorships, lecture series, and centers of research and excellence.

The Herman and Juanita House Scholarship Endowment

Kimberly and Jamie G. House, the son of Herman and Juanita House and PVAMU College of Business Alumnus, created this endowment with the support of matching funds from his company Smith Graham and Associates. These funds will be used to support student scholarships. Mr. House was recognized as one of the COB Distinguished alumni in 2005 and currently is the executive vice president and chief operating officer for Smith Graham and Associates.

The Henri L. Bailey, II Scholarship Endowment

After an illustrious career in the military, Dr. Bailey's career at PVAMU began as head of the Department of Management and Marketing in the College of Business. During his tenure at PVAMU he served as assistant to the vice president for finance and administration, assistant vice president for Information Technology Services, PVAMU Chief Information Officer and associate provost and associate vice president for academic affairs. He returned to the classroom full-time in August 2004 and retired in 2008 after serving as an associate professor of management in the College of Business.

Dr. Bailey has been married to Carolyn Elizabeth Ladd of Pensacola, Florida since August 1969. They have been blessed with two sons: Henri Louis Bailey, IV and Shawn Howard Bailey. Both sons currently reside in Fairfax County, Virginia. Dr. Bailey established the scholarship with the generous support of his family and friends; a list of contributors follows.

Mr. and Mrs. Paul Adams
Mr. and Mrs. BJ and Lytle Allen
Mr. and Mrs. Walter and Ella Anderson
Dr. and Mrs. Henri and Carolyn Bailey
