

**COMP 1003 Introduction to Computer Education
Spring 2009, Agrigated Data from sections P07, P12, P15
from TrueOucomes**

Instructors: Shakir, Olivier
Computing Artifacts Assessed: N=85

Eighty-five student artifacts were assessed using a simple rubric that examined whether the artifact demonstrated the use of "current techniques, skills, and tools necessary for computing practice." Scores ranged from 4 for Exellent, 3 Good, 2 Average, and 1 Poor.

Results: 2.64/4.0 mean
