Dear Dr. Wright:

I am seeking your input on my annual evaluation of your performance. I see this process as a collaborative opportunity to review past achievements, evaluate the challenges that you face, set new goals and objectives, and develop new ideas on how we can continue progress toward excellence in education, research, and service for the state of Texas.

Please answer the following questions:

1. What are your major accomplishments for the past year? (Attach supporting data as deemed appropriate.)
2. What goals and projects were not addressed, are incomplete, or have suboptimal results?
3. What barriers do you regularly encounter that prevent you from achieving your institutional goals?
4. As a manager, how would you rate yourself in the way you have nurtured and developed your administration and staff? Please include examples and identify any strengths or weaknesses.
5. How would you rate yourself as a team member within The Texas A&M University System? Please include examples and identify any strengths or weaknesses.

Please respond by June 3, 2009.

Sincerely,

Michael D. McKinney, M.D.
