Student Counseling Center

The Prairie View A&M University Student Counseling Center provides free, confidential counseling and educational workshops for enrolled undergraduate, graduate and professional students at Prairie View A&M University.

The staff at the Counseling Center knows that student life is a transitional period and can bring pressure and stress. We try to help students: (1) understand this period, (2) find ways of coping with crises, and (3) grow from their experiences.

We also work with administrators, academic agencies, and other campus agencies to holistically increase the effectiveness of Health & Counseling Services.
