About Us:

Welcome to the Prairie View A&M University Environmental Health & Safety Department Web Site. The EHSD is here to help faculty, staff, & students perform their work & studies safely and in an environmentally sound manner. This site is intended to provide faculty, staff, and students with information on essential services here on our University Campus.

Mission

Prairie View A&M University is committed to a campus environment that protects the safety and the environment of the students, employees, vendors and the public.

Prairie View A&M University will establish processes that ensure applicable Environmental, Health, and Safety laws or regulations are met.

The processes described herein are minimum expectations for Prairie View A&M University Campus Wide. Federal & Local standards shall supersede these minimum expectations whenever they provide a greater level of protection.

Goals and Objectives

- Provide Safety Training and Awareness to Students, Faculty and Staff
- Develop written instruction and guidelines to help accommodate a healthy and safe environment
- Identify and reduce potentially hazardous conditions
- Monitor Performance and Compliance (EPA, TDH, DOT & The Texas A&M System)
- Help Maintain Compliance
- Assist and Advise Departments on EHS Issues
