Re: Replace of 15KV High Voltage Underground Switches

During the upcoming holiday break the Central Utilities Department will change out eighteen high voltage 15KV underground switches. To accomplish this task the following buildings will be closed on the dates shown (no power 7am – 7pm):

Wastewater Plant (PMH-70)	Monday, December 15, 2008
Alpha-Construction Site (PMH-69)	Monday, December 15, 2008
Central Receiving (PMH-68)	Tuesday, December 16, 2008
Farrell Hall (PMH-89)	Wednesday, December 17, 2008
Burleson Ware (PMH-52)	Thursday, December 18, 2008
New Gym (PMH-75)	Friday, December 19, 2008
Ag Research (PMH-74)	Saturday, December 20, 2008
Hobart Taylor (PMH-44)	Sunday, December 21, 2008
Athletics (PMH-43)	Monday, December 22, 2008
Field House (PMH-39)	Tuesday, December 23, 2008
University College (PMH-54)	Sunday, December 28, 2008
Architecture (PMH-32)	Monday, December 29, 2008
Administration (PMH-36)	Tuesday, December 30, 2008
Wool folk / Hilliard Hall (PMH-26)	Wednesday, December 31, 2008
W. R. Banks (PMH-2)	Friday, January 2, 2009
S. R. Collins (PMH-71)	Saturday, January 3, 2009
C. L. Wilson / Gilchrist (PMH-61)	Sunday, January 4, 2009
Radio Tower (PMH-77)	Monday, January 5, 2009

There will be other high voltage switches and cables installed after this date, however; this work will **NOT** require power outages of any buildings. We appreciate your support during this project and regret any inconvenience that we may have caused.
