Today’s businesses need leaders who can make decisions based on critical thinking, who can express their ideas both verbally and in writing, and who are just as effective working alone as they are on a team. This is what we expect of the graduate business student at Prairie View A&M University.

Effective business communication is a cornerstone of the Master of Business Administration (MBA) degree program in the College of Business.

All programs in the College of Business are fully accredited by the Association to Advance Collegiate Schools of Business—the premier accrediting agency for bachelor’s degree, master’s degree and doctoral degree programs in business administration and accounting.

Degree Plan
The MBA degree program focuses on providing the students with the knowledge and skills necessary to succeed in profit or not-for-profit enterprises. The program integrates various business disciplines to provide the high-quality experiences needed to assume a leadership role as a manager or entrepreneur.

The MBA degree plan includes 36* hours of courses in:
- Managerial Accounting
- Managerial Communication
- Managerial Economics
- Management Information Systems
- Production and Operations
- Financial Management
- Organizational Behavior
- Marketing Management
- Quantitative Analysis
- Strategy and Policy
- Additional prerequisite courses are required for students who do not have an undergraduate degree in business.

Entrance Requirements
- Completed application
- Minimum undergraduate GPA of 2.45 (out of 4.00)
- Three letters of recommendation
- Application fee
- Official transcripts
- A 1,000 word essay about “Why I Want a Graduate Degree in Business”
- Official copy of GMAT scores provided prior to completing 12 graduate semester hours

*Additional prerequisite courses are required for students who do not have an undergraduate degree in business.

With a reputation for producing business leaders, the College of Business provides a diverse student body with a business education experience that is distinguished by personal attention, teamwork, leadership training, and an understanding of the link between business and society.

The curricula and objectives of the graduate business programs are based on the rich traditions that exist at Prairie View A&M University.

The graduate programs in business at PVAMU are designed for the working adult. We take this commitment to working adults seriously, which is why we schedule classes at night or on weekends. Classes are close to where our students live and work, and additional flexible study options are available.

Open the door to your own potential… your own success… your own advanced degree.
