TOTAL 6
MBA TRACKS

MANAGEMENT INFORMATION SYSTEMS (MIS) TRACK
The Management Information Systems (MIS) track requires a total of 15 SCH of courses of which 3 SCH is required as part of the MBA program. MBA students who want to pursue this track need 12 SCH of additional courses. The required courses for the MIS track are:

1. Misy 5103  Management Information Systems
2. Misy 5413  Applied Database Management
3. Misy 5423  Information System Analysis & Design
4. Misy 5323  Data Communication and Networking
5. Misy 5533  Special Topics in MIS

For students who want the MIS track in the MBA program, a minimum of 42 SCH of courses would be required when 6 SCH of elective courses, which are required in the MBA program, are selected from the above list except Misy 5103 which is a required course in the MBA program as well as in the MIS track.

FINANCE TRACK
The Finance track requires a total of 12 SCH of courses of which 3 SCH is required as part of the MBA program. MBA students who want to pursue this track need 9 SCH of additional courses. The required courses for the Finance track are:

1. Finan 5103  Financial Management
2. Finan 5313  Investment Analysis & Management
3. Finan 5383  Financial Markets & Institutions
4. Finan Elective or Finan 5513 International Finance

For students who want the Finance track in the MBA program, a minimum of 39 SCH of courses would be required when 6 SCH of elective courses, which are required in the MBA program, are selected from the above list except Finan 5103 which is a required course in the MBA program as well as in the Finance track.

SIX-YEAR TIME LIMIT
The student must complete all program requirements within six consecutive years of starting the program or lose credit for work completed prior to the most recent six years. Graduate credit earned expires at the end of six years from completion. Expired credit cannot be used to fulfill the MBA requirement. The student may submit a petition to the Director to revalidate the expired credits.
