The Texas A&M University System Annual Financial Report is available online. The accompanying notes are an integral part of the financial statements. For a complete presentation of a specific system member, the system combined report ([2008](#), [2007](#), [2006](#), [2005](#), [2004](#), [2003](#)) including the notes should be reviewed along with the member report.

Listed below are the 2008, 2007, 2006, 2005, 2004 and 2003 Annual Financial Reports in Adobe Portable Document Format (PDF). If you do not have Adobe Acrobat Reader, click on this link ([Free Adobe Acrobat Reader](#)) to download and install it on your computer. This will enable you to view and print the reports. You can also download the file by right clicking on the part name and then selecting 'Save Target As...' and choosing a directory on your local computer to save the file. The PDF file can then be viewed in Adobe Reader.

For the blind and visually impaired, click on this link ([Access.Adobe.Com](#)) to download a tool that will allow you to read any document in Adobe PDF format. It converts PDF documents into simple HTML or ASCII text that can be read by a number of common screen reading programs that synthesize HTML as audible speech.
