Home » Research & Development » Mission & Goals

The Office of Research and Development is organized to accomplish the following MISSION:

Help identify (find) and obtain resources (financial, human, and/or technical) to support the teaching, research, and service components of Prairie View A&M University;

Provide executive leadership for research and development activities at the University; and

Work collaboratively with University personnel (faculty, staff, administrators) in identifying and prioritizing research, sponsored programs and development opportunities.

Goals

Goal 1: Increase applied and basic research

Goal 2: Strengthen University advancement programs, including fund-raising
