## Student Activities and Leadership

**Welcome** to the Office of Student Activities and Leadership's official website. Our office delivers comprehensive programs and services designed to meet the co-curricular needs of Prairie View A&M University's diverse student population. We strive for excellence in the delivery of high quality programming and leadership activities.

The mission of the Department of Student Activities and Leadership is to design and implement inclusive and accessible programs and services that enhance student development through exposure to and participation in diverse and relevant social, cultural, intellectual, recreational, community service, leadership development and campus governance.

It is our hope that this website answers your questions and provides valuable information about the PVAMU cultural programming series, Panther Advisor Leaders (PALs), the Student Government Association, the more than 100 registered student organizations on campus and the other happenings on the "Hill."

The Student Activities website will be updated regularly so make sure you check back periodically to see what programs are going on with the Office of Student Activities and Leadership. Also, feel free to contact our office by phone or stop by in person.

Have a great year!
