## Simulation Services

Prairie View A&M University-Houston, Texas

Since 2003, the College of Nursing has made great progress and received national recognition for utilizing Clinical Simulation Education as a teaching and learning strategy. The Human Patient Simulation Center is comprised of three laboratories that are located on the 9<sup>th</sup>, 10<sup>th</sup> and 11<sup>th</sup> floors and are expertly designed and equipped with High Fidelity Simulators, medical equipment, B-Line software technology, motion-sensitive cameras, and computers. There is a professional team consisting of a director, computer engineer, and faculty responsible for implementing simulated learning experience across the curriculum.

**[New Simulation Request Form 2009](#)**

**[Simulation Request \(PDF/82.4KB\)](#)**

Simulations are valuable technical resources for integrating teaching and learning across program levels by coalescing different learning principles, substantive knowledge and specific practice skills.
