We are pleased to welcome you to "The Hill" and the 2007 Texas A&M University System Student Affairs Symposium website! The symposium provides a great opportunity for you to get connected with colleagues from around the A&M System, share information about the challenges facing us in higher education, and to work together to address them.

Prairie View A&M University is proud to host this year's symposium and has planned several events to complement our "Sporting Good Time on the Hill" theme. We look forward to your participation.
