Dear «FNAME»,

Thank you for your interest in the School of Architecture at Prairie View A&M University. More information about admissions to Prairie View A&M University is available at <http://www.pvamu.edu> under the heading *Undergraduate Admissions*.

When applying for admission, we would also like to encourage you to submit your completed Texas Common Application by logging on to the following:

<https://www.applytexas.org/adappc/commonapp.WBX>

While gathering your admissions and financial aid (www.fafsa.ed.gov) materials, please be mindful that the priority deadline to apply for aid for the 2009-2010 school year is **March 1** but it's not too late! Please apply as soon as possible to ensure that your money will be awarded before school starts, and follow all instructions carefully so that your documents may be processed quickly.

Other issues often raised are that of scholarships and work study. School of Architecture scholarships are available to qualified applicants and a limited amount of student employment is available on campus. More information on the topics is also available at <http://www.pvamu.edu> under *School of Architecture and Jobs @ PV*.

Please let us know if we can be of assistance to you in the future. Your School of Architecture Admissions Representative, Dr Ikhias Sabouni will be happy to see that you have a smooth transition. You can contact her via email through isabouni@pvamu.edu or call at 936-261-9808. We believe that our program will offer you a memorable and rewarding learning experience. If questions should arise, please feel free to contact us.

Sincerely,

Ikhias Sabouni

Dr. Ikhias Sabouni, Dean
