TMC Clinical Partners

- Supporting Institution benefits apply to all TMC Clinical Partners
- Collections can be tailored to fit the information needs of the the individual

institution

- The Library negotiates with publishers and information vendors for the institution and then sets up access and provides support
- Contact **Leah Krevit**, Associate Director, Collections Management (leah.krevit@exch.library.tmc.edu; 713 799 7126) for more information about this level of HAM-TMC Library membership.
