Sports/Hobbies

Dear Potential Naval ROTC Scholarship Winner,

I am writing you to outline several aspects of the Naval ROTC program at Prairie View A&M University. The Navy is looking for outstanding students like you to lead the Navy and Marine Corps into the 21st century. The leadership of the Navy and Marine Corps comes from its officer ranks, and the purpose of the ROTC program is to develop future officers in the areas of academic excellence, leadership and management. In addition, Naval ROTC provides academic scholarships to assist outstanding students in attaining their degree. Here are three ways to compete for a NROTC Scholarship:

\*The National Naval ROTC Scholarship

The National Naval ROTC scholarship is designed to educate and train young men and women for service as commissioned officers in the Navy or Marine Corps. To facilitate the application process just go to the NROTC website at [www.nrotc.navy.mil](http://www.nrotc.navy.mil) to research and apply. The application requirements are an SAT score of 1050-520Math/530Verbal or better or an ACT score of 44 composite-22Math/22English for Navy options. For Marine Corps options the requirements are a 1000 SAT or 45 composite ACT. The National Four-Year scholarship is highly competitive and it's highly recommended that you apply early. The National scholarship pays all tuition and fees and \$300 for books per semester and provides you with a monthly stipend of \$250 (1<sup>st</sup>), \$300 (2<sup>nd</sup>), \$350 (3<sup>rd</sup>), \$400 (4<sup>th</sup> & 5<sup>th</sup>) year in program.

\*HBC Scholarship

\*\*\*\*\*NOTE: Unlike the National scholarship, students compete only against themselves, so if there is a scholarship available and the student meets the requirements, she or he will normally receive a scholarship.

You can obtain an HBC scholarship via the Professor of Naval Science at Prairie View A&M University. It is designed for talented and motivated students who desire to pursue a higher education at Prairie View A&M University. If you have a high school cumulative GPA of 2.5/4.0, an SAT score of 1050 – 520 Math/530 Verbal or better or an ACT score of 44 composite – 22 Math/22 English and you show solid leadership potential, you will be eligible to compete for an HBC scholarship. The HBC scholarship pays all tuition and fees and \$300.00 for books per semester and provides you with a monthly stipend of \$250 (1<sup>st</sup>), \$300 (2<sup>nd</sup>), \$350 (3<sup>rd</sup>), \$400 (4<sup>th</sup> & 5<sup>th</sup>) year in program.

\*CNET – Controlled NROTC Scholarship (CNET is the Chief of Naval Education and Training)

You can obtain a CNET-Controlled NROTC Scholarship via the Professor of Naval Science at Prairie View A&M University by enrolling at Prairie View A&M University and joining the NROTC unit at PVAMU. Similar to a walk-on scholarship in athletics, if you earn a minimum semester GPA of 2.5, pass the Navy's physical readiness test, and you exhibit leadership potential, you may be eligible to receive a CNET-Controlled Scholarship. The CNET-Controlled Scholarship pays all tuition and fees and \$300.00 for books per semester and provides you with a monthly stipend of \$250 (1<sup>st</sup>), \$300 (2<sup>nd</sup>), \$350 (3<sup>rd</sup>), \$400 (4<sup>th</sup> & 5<sup>th</sup>) year in program.

Leadership Award

Students who participate in NROTC are eligible to receive NROTC's Leadership scholarship, which could pay up to \$1000.00 per semester. The award is based on a student's overall NROTC participation, aptitude, military and academic performance.

Information regarding Prairie View University can be found at [www.pvamu.edu](http://www.pvamu.edu). This site also includes information on our Naval ROTC Unit. The Navy has numerous career opportunities for outstanding students. If students, parents or administrators have any questions regarding scholarships, Naval ROTC or Navy Officer careers contact PVAMU's NROTC Recruiter at (936) 261-1625 or [navy\\_rotc@pvamu.edu](mailto:navy_rotc@pvamu.edu). We will be more than happy to answer any questions you may have. We hope to see you at our Naval ROTC Unit.

# HBC Professor of Naval Science Scholarship Prairie View University

From: Commanding Officer, Naval Reserve Officer Training Corps, Houston Consortium,  
Prairie View A&M University

To: DISTRIBUTION LIST

## PROFESSOR OF NAVAL SCIENCE SCHOLARSHIP PROGRAM

1. In an effort to increase the number of officers who obtain their commission from Prairie View A&M University in the United States Navy and Marine Corps, the Chief of Naval Education and Training allows the commanding officer of NROTC Unit Prairie View University to award annual scholarships known as the HBC Professor of Naval Science (PNS) Scholarships.
2. The HBC PNS Scholarship Program was established to attract students with academic potential, who have yet to demonstrate performance in a college environment. To qualify you must attain a high school GPA of 2.5 or higher and score at least a 1050(520Math/530Verbal) on the SAT or 44 composite (22Math/22Verbal) on the ACT. Those who have completed at least one but not more than two semesters of coursework at a university are also eligible by achieving a cumulative GPA of 2.5 on a 4.0 scale with no grade below a "C" in all courses attempted. It is never too early to start preparing for your future but it will be too late if you wait.
3. Here at Prairie View A&M University, The Professor of Naval Science is authorized to nominate deserving young men and women for four-year NROTC scholarships annually. The following requirements must be met for nomination:
  - a. Must be a United States Citizen.
  - b. Must be physically qualified.
  - c. Must be at least 17 years of age by 30 June of the year of enrollment. The upper age limit varies according to the date of commissioning.
  - d. Must possess a satisfactory record of moral integrity, have participated in extracurricular activities, and have demonstrated potential officer characteristics.
  - e. Must have achieved a minimum ACT of 22 Math and 22 Verbal or a minimum SAT of 520 Math and 530 Verbal.
  - f. Must be accepted for admission as a student at Prairie View A&M University.
4. All NROTC Scholarship recipients receive full tuition, \$300.00 for books (per semester), all university fees and a subsistence allowance of \$250 freshman, \$300 sophomore, \$350 junior, \$400 senior per month to all recipients during a 10 month academic school year. Depending upon availability and the student's overall performance, most scholarship recipients receive additional merit base monetary awards as well.
5. The NROTC Scholarship recipient receives a reserve commission in the Navy or Marine Corps after graduation and incurs a minimum four-year active duty obligation.
6. If you have any further questions, please contact the Prairie View A&M's NROTC Recruiter/Naval Science Instructor at (936) 261-1625.
